When is it On

Usually focussed around Christian festivals of the year - check our Facebook page to see when the next Messy Church is on.

What happens

Activities: art and craft, fun, games and more

Everyone has the opportunity to be creative at their own pace. Most events offer three or four different messy activities for you to try out. We have made gingerbread men, painted pictures, enjoyed painting with our feet and hands.

Who is it for

A time of fun for all ages, adults, families and children

It's great for adults, families and children. If you don't like crafts you can always chill out with a coffee or tea and a biscuit or three!

Does it Cost?

All the materials and food are free so come along and enjoy yourself, God loves a Messy Church.

ALL ARE WELCOME!
